Fitness World Gyms began in 1991 in the small town of Darlington, SC as an add on to a Karate School and was started by James Curtis Boyd - Fitness World's current Owner and Operator. Fitness World grew with the help of God over the past 22 years and slowly went from one location in Darlington that was a total of 10,000 square feet in size to now nine locations over the Pee Dee area in Florence, Darlington, Hartsville, Cheraw, McBee and Bethune. That's a total of over 100,000 square feet of Fitness World Gyms. Fitness World continues to grow every day and will continue to grow with the help of our Lord and Savior Jesus Christ and the continued support of our valued customers.
